

Table of primary legislation

All reference to chapters and paragraphs, rather than to pages. So a reference to 4.4.1 is to that paragraph of Chapter 4. The extensive A-Z chapter (Chapter 7) is indexed without the 7 prefix. So section M7 of that chapter is indexed as M7.

General index

All references are to chapters and paragraphs, rather than to pages. So a reference to 6.3.1 is to that paragraph of Chapter 6. The extensive A-Z chapter (Chapter 7) is indexed without the 7 prefix. So section M1 of that chapter is indexed as M1.
